

I know Jesus

I've met him, on my personal Damascus road Journey

I know Jesus

he promised me in Word, that whatever I ask, in his name, will be done, by Faith

I know Jesus

I know him as though he is a friend that sticks closer than a brother

I know Jesus

in that he gives me his peace

I know Jesus

in his way of forgiveness

I know Jesus

in the way that he never looks at my faults

I know Jesus

in how he takes my frailty, and never condemns me

I know Jesus

as he inspires me, to be best I can

I know Jesus

as he has created a pardon for my sins, before he created the world itself

I know Jesus

in the way that he shows me how to Love others

I know Jesus

he shows to put others first

I know Jesus

in that he shows me not to look down on any one

I know Jesus

in that he never Judged me

I know Jesus

because shows me my Sin, and where I'm wrong

I know Jesus

the way he points out my error in my walk with him

in that he speaks to me through his Holy Spirit, about my actions, in meditation

do you know Jesus
