

Awesome

It is awesomely amazing how you've captured my heart dear.

When I'm with you, I grin from ear to ear.

No greater love, could a Man have for his lover.

And there is no love better than mine toward you. No, no other.

Awesome is your love towards me.

Amazing is your kindness, towards my needs.

I am so fortunate to have your attention.

Being your forever love is my intention.

Through the good and bad times, I pray we are together.

As one we will be, no matter the weather.

Standing the test of time, will our love be.

An awesome couple, in love together, you and me.
